FOR THE PHOTOGRAPHER

Iceland is visually captivating and you need to look no further than Reykjanes Peninsula to find phenomenal scenery with boundless photography opportunities. To make sure you find all the best spots to photograph, why not hire a local professional photographer/tour operator who can take you there?

Rafn Sigurðsson is a freelance photographer who combines his two passions, photography and traveling, with work assignments. Rafn's extensive Reykjanes Peninsula Tour offers an extreme range of landscapes ideal for photography as Rafn knows all the best places to shoot.
