Vol. 14 - Reykjavík Christmas

**Rafn Sigurbjörnsson**  
Landscape and Nature Documentary Photographer

Hi!

My name is Rafn Sigurbjörnsson ( Rafn Sig,-) and I'm a self-taught Icelandic Landscape and Nature Documentary Photographer, Composer and a Musician living few kilometers outside the Capital of Reykjavík, where the nature surrounds me and I only need to walk few minutes to some of the most beautiful places we have in Iceland and still are hidden.

My goal is to document the raw nature for the coming generation, to show them what we have or before they get destroyed.

My fascination of the Icelandic nature and geologic diversity is endless. Although I have been photographing Iceland for more than thirty years now, I find the magic is still around the corner and I understand it will take more than a lifetime to finish the job.

I have published 8 photographic books called "WILD ICELAND the untouched nature". Each book focuses on the collection of the best of the sensational nature of the individual parts of my small beautiful island.
